NATIONAL LEATHER ASSOCIATION – INDIANAPOLIS

NLA-Indianapolis is a diverse, pan-sexual group of adults who share a common interest in Leather, S/M, or similar kink (bondage, spanking, etc.) and who want to be active in building our community.

We are women, men and transgendered folk, heterosexual, bisexual, gay and lesbian, partnered, married, single, monogamous and polyamorous, young and old. We support the statements of purpose of NLA-International and apply them to local issues.

We host local events such as meet and greets, outings, demonstrations, play parties, regular parties, and much more.

Our Mission

The mission of NLA-Indianapolis is:

To maintain our national/international **communication, information, education and support network** for all members of the Leather/BDSM/Fetish community.

To role model the **power and pride** of all adults who engage in consensual sexual expression and encourage those who fight for decriminalization of all sexual acts between consenting adults.

To support individual and organized **political activism, visibility and education** in order to eradicate stereotypical beliefs, misconceptions and media misrepresentation about the Leather/BDSM/Fetish family in the community at large.

To continue providing, through publications, educational material and conferences, a **forum for the sharing of knowledge, viewpoints and practices** of a diverse network of people.

To welcome **women, people of color, transgendered persons, the deaf, the physically challenged** and others who have traditionally been discriminated against or poorly represented within the Leather/BDSM/Fetish community.

To attend, promote and support **fundraising** for deserving defense funds, projects, and clubs, organizations, and/or charities, which have given direct service to the Leather/BDSM/Fetish community.

To promote the **success and welfare** of individuals, organizations, publications and businesses within our community; especially against threats to their freedom of expression, freedom of the press, rights to free association and right to equal protection under the law.

To continue **preserving a record** of our **history, traditions and culture**.
